

Letter of Recommendation

March 2019

To Whom This May Concern,

My name is Jennifer Zurzolo and I'm proud to offer my recommendation of Greg Jameson whom I have personally known for eight years having met at Castle Rock Toastmasters, a local club/branch of Toastmasters International. I am Greg's public speaking mentor, competitor and friend.

I have observed Greg comfortably present both in and outside of our club at live presentations, lectures, conferences and workshops throughout the greater Denver-metro area.

Greg is always well prepared, organized and confidently shares his "real world" experience with others. With his exceptional communication skills, Greg is gifted at taking technical subjects and making them easy to understand by all audience members, students and/or participants while maintaining a positive atmosphere.

It is without reservation that I recommend Greg Jameson for this position.

If you have any requests or questions do not hesitate to contact me.

Sincerely,

*Jennifer J Zurzolo
